### PWA Unit Facilitates Elections for Four Seasons of Historic Virginia

*By Shirley White*

The homeowners association of the development [Four Seasons at Historic Virginia](#) sought professional guidance for the election of its board of directors. The end result was the Prince William Area MAL Unit of LWV-VA conducting the election on May 10, 2010.

Una White, Community Election Coordinator of the Fairfax Area LWV, mentored Shirley White of the PWA Unit and her cadre of volunteers through the maze of documents and procedures and the counting of ballots.

Many thanks to Una White, Janey George, and Sherry Zachry of the LWVFA and to Elaine Cash, Co-Director, and Linda Larsen for regularly retrieving ballots from ballot box and US post box over a period of several weeks; Elaine, Linda, Joyce Ard, Sheila School, Jessie Barringer, Carol Noggle, Brenda Carswell, Katherine Gotthardt who performed various duties at the election.

Community elections are an excellent way for the League to raise necessary funds by doing what they do best: conducting fair and honest elections by following guidelines.
